

NEW RENDITION FILING DEADLINE!

PERSONAL PROPERTY RENDITION INFORMATION

BUSINESS OWNERS MUST RENDER THEIR TAXABLE PERSONAL PROPERTY BY APRIL 1

If you own personal property that is used to produce income, a rendition listing that property must be filed with the Appraisal District by April 1st. A rendition is a report that lists all the taxable income producing property you owned or controlled on January 1 of this year. Property includes inventory and equipment used by a business.

If a rendition is filed late, incomplete, or not at all, a 10 to 50 percent penalty may be imposed.

For good cause only, you may then file, no later than May 1st, another written request for an additional 15 day extension. To request an extension, please provide the Property Identification Number (PID) or Account Number along with a simple request to extend your deadline 30 days.
